RE: RECOMMENDATION LETTER

Insurance Regulatory Authority (IRA) is a statutory Government Agency that was created through the Insurance Act (Amendment) 2006, CAP 487 of the Laws of Kenya with the mandate of regulating, supervising and developing the insurance industry in Kenya.

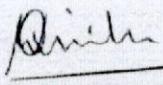

In the year 2021, IRA contracted M/s Kenyaweb.com Limited for a website project which entailed the following:

- Website Re-Design and development;
- Website Maintenance services;
- Website Hosting.
- Structured Cabling

M/s Kenyaweb.com Limited executed the assignment diligently and in a professional manner. They successfully completed the project within the project timelines and as per the IRA requirements.

We will therefore not hesitate to recommend M/s Kenyaweb.com Limited in the event that you are considering them for similar assignments.

Yours Faithfully,

ERIC KISILU
